From the Leaders

Following lengthy considerations the leaders have agreed that we need to run a trial morning service.

This will not happen until sometime after schools have reopened which is likely to produce a spike in Covid 19 cases. Then we can ensure that we comply with any consequential changes to Government guidelines.

From Mark

Pray for those who have received exam results recently, especially as they plan their next steps.

Pray for a good finish to the Lighthouse holiday club this coming Friday. The holiday club has been running via the Lighthouse holiday club Facebook page all through the summer.

The September edition of the Copplestone Enlightener is now being printed and will be ready for delivery soon. I will be in touch with the team of people who normally deliver around the village to arrange to drop off their batch of Enlighteners or I will make other arrangements for delivery if people are shielding. You can also read the Copplestone Enlightener via our church website [www.copplestonechurch.org.uk](http://www.copplestonechurch.org.uk) or our village website [www.copplestone.org.uk](http://www.copplestone.org.uk)

Thanks, Suzanne
