The leaders have once more explored the possibility of a 'trial' service. This will be live streamed and will be a family service. The provisional dates being considered are Sunday September 20th (now unlikely) and Sunday October 11th (both dates are when John is planned to speak).

We will of course inform the fellowship when a date has been agreed.

From Mark

Thank you for your continued support for the children and youth work.

It's a real encouragement to know that so many people are fully behind the project. Thank you for your prayers which unleash God's limitless power as we trust Him to do immeasurably more than all we could ever ask or even imagine.

This week let's pray for all the children and young people returning to school. Pray particularly that those starting at a new school will settle in quickly. Pray that there won't be any fear or anxiety about going back, but instead that God's peace, which is far beyond our understanding, will rest on our local schools. Pray for patience, understanding and creativity for all the teachers as they set out on what must be an incredibly unusual start to the school year.

Grid: Grid will be starting again on **8th Sept** and every Tuesday after that at **7:30pm on Zoom**.

Kidzone: We are planning to meet for Kidzone Socials every 3rd Friday of the month from **6-7pm on Zoom**, the dates of which are:

Sept 18th

October 16th

November 20th

December 18th

Myself and Debbie Pinhey thought we could create a Ringsash choir to record the song Corner Stone. Debbie and I have already recorded our bits separately and Debbie has managed to put them together. All you need is a mobile phone to record yourself and send it through. It might not be the most professional finish but if it goes well who knows! So if you would like to be involved or have some techy expertise which could help create a video to go with it then please contact me or Debbie and we'll send you some more info. Sherrin x

Sunday 6th September 2020

To the churches of the Ringsash Circuit

This Sunday evening was set aside to celebrate all the youth activities and events that we expected to see happen throughout the summer and hear reports from young people across our churches and communities. Although some great events have happened online, physically coming together as a Circuit is not possible right now. We want instead to set aside this Sunday evening for our 4 churches to pray for the young people in our churches and in the villages in which we serve.

Our young people have been through a period of great personal change and uncertainty and they need our prayers perhaps more than ever before. As many return to schools, colleges and universities or seek employment for the first time or face the end of the furlough scheme we need to surround them in prayer and love.

Can we ask you to commit to pray wherever you are this Sunday evening please? Some areas that have been flagged as particular matters for prayer are

- > their well-being and mental health
- > the effect the coronavirus is having on their education and the uncertainty caused by assessing exam results this year as well as the loss of time in preparing for 2021 exams
- > concerns about the return to face to face education and the spread of the virus
- > the loss of jobs in retail and hospitality sectors that are particularly felt by the young
- > and the end of furlough scheme and the uncertainty this brings
- > living with the strain this pandemic is placing on their family finances
- > isolation and loneliness felt especially in more rural areas

Can we also pray for Sherrin and for Mark who are seeking to serve and support our young people through all of this. Please pray for protection, vision, wisdom and compassion.

We know how much our young people are loved and valued by God and we can show them how much they are loved and valued by us through this simple, yet profound, time of prayer.

Thank you
