Note to the fellowship from leaders

The leaders (Heather, Shaun, Sean and Roy) met on Tuesday evening following the news that John was standing down. We assure you that we are all content to remain as leaders and to continue to seek God's guidance for His Church at Copplesstone.

In the event of a pastoral issue arising which you might normally wish to raise with your minister then in the first instance please contact your church pastoral care coordinator, Brian Warren (01363 84469 / 07866 672299 /

b.warren378@btinternet.com) or one of the leaders. The chairman of the district is on hand to advise us if the issue needs professional help.

If any other issues arise concerning the operation of the Fellowship or the Church premises in the first instance raise them with us as leaders unless that is inappropriate in which case you should contact Chris Down as Circuit Steward. (Chris Down 07554 435350 / crdown@icloud.com)

Following the increase in Covid 19 cases and the changes to the restrictions to come into effect from tomorrow we felt it best to postpone the trial service for the time being. Meanwhile we shall continue with the video services.

Also note that our own Circuit Stewards are fully engaged with the process for inviting a new minister to join us next September.

Jesus said to His disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Matthew 9:37-38

If anyone has something they would like to share here, please let me know by **Thursday 6pm**. E. Thank you. (davidandeunice@hotmail.co.uk)

Update from the Children and Youth Project Committee

The CYP committee have been meeting every other week during Lockdown to support Mark with the project via zoom. The committee had a break over the summer but we will be resuming our meetings on the first Thursday of each month via zoom. Our next meeting is on Thursday 1st October.

Last week we met together to review what has happened during lockdown and how we can move forward with the project. Mark will continue to run online Grid sessions as well as Kidzone socials on the 3rd Friday of the month.

Mark is coming to the end of a Mental Health online course that he has been studying for during the summer months. This will be a valuable course for him during the current climate.

We have said Thank you to Julie Down who has stepped down from the committee over the summer and last week we welcomed Nathan and Kirsty Redstone to the committee.

Mark continues to assist with Crediton foodbank deliveries on a Friday. He is now back working in the office on a Tuesday and Wednesday. Over the next month we will be working on what we can do during this Autumn Term and the lead up to Christmas especially with the restrictions that may come in to force.

We would continue to encourage you to pray for Mark, Becky and Eryn.
