Myself and Debbie Pinhey thought we could create a Ringsash choir to record the song Corner Stone. Debbie and I have already recorded our bits separately and Debbie has managed to put them together. All you need is a mobile phone to record yourself and send it through. It might not be the most professional finish but if it goes well who knows! So if you would like to be involved or have some techy expertise which could help create a video to go with it then please contact me or Debbie and we'll send you some more info. Sherrin x

From Mark

"Like arrows in the hands of a warrior are children born in one's youth." Psalm 127:4

As I was reading the other day, I came across the following...

"Psalm 127:4 shows us that not only do our children need to be loved, they need to be aimed. Solomon writes that our children are like arrows in the hand of a warrior. Arrows are only valuable if they are aimed in the right direction. Aiming is the job of the warrior. It's not the arrow's job. So, warrior, how are you doing at aiming your children in the right direction?"

Let's pray that each of the children in church will know and see how valuable they are to God, to their parents and their whole church family

Pray for parents as they continue to aim their children (young and old!) in the right direction - towards a relationship with their Heavenly Father.

Pray for the children within our church family to grow into men and women of God, able to defend their faith and honour the Lord in all they do.

From the Leaders

Following lengthy considerations the leaders have agreed that we need to run a trial morning service. This will not happen until sometime after schools have reopened which is likely to produce a spike in Covid 19 cases. Then we can ensure that we comply with any consequential changes to Government guidelines.

The September edition of the Copplestone Enlightener is now being printed and will be ready for delivery soon. I will be in touch with the team of people who normally deliver around the village to arrange to drop off their batch of Enlighteners or I will make other arrangements for delivery if people are shielding. You can also read the Copplestone Enlightener via our church website www.copplestonechurch.org.uk or our village website www.copplestone.org.uk

Thanks, Suzanne
